Lori@LVSClays.com

The United Bowhunters of Pennsylvania's Disabled Hunter Program began in 1999 with an idea from Ernie Kramer. Ernie presented this idea to the UBP leadership and gained approval to move forward. Ernie was encouraged by David Sullivan of Buckmasters Disabled Hunter Services. They agreed to supply a hunt if Ernie could come up with the funds for the transportation to the hunt. The Physically Challenged Bowhunters of America (PCBA) and Buckmasters supplied the applications that first year. Each year the program grew a little and before long, a dedicated committee was formed. The program currently sends at least ten disabled hunters on hunts each year.
